#### **Program Philosophy Statement**

To carry out our commitment to the Honorary Members of the association, County Sheriffs of Colorado (CSOC) established a scholarship program in 1978. Since then, this effort has continued as a meaningful expression of the sheriffs' confidence in and respect for education and training. CSOC considers this an investment in the future and believes that our membership is helping to provide deserving students with an opportunity to make a positive contribution to society as a whole.

County Sheriffs of Colorado, through its honorary membership program, awards approximately thirty \$500 scholarships every academic school year.
